

The background of the slide features a low-angle, silhouette photograph of a group of graduates. They are captured in the middle of a celebratory act, throwing their black mortarboard caps into the air. The caps are seen at various heights and angles, creating a sense of dynamic movement. The graduates' arms are raised, and some are holding rolled-up diplomas. The scene is set against a clear, light blue sky. In the top right corner, there is a soft, pinkish-purple circular graphic element. In the bottom left corner, there is a teal-colored abstract shape with a thin pink line curving around it.
