New Families to Bishop Hendricken **Creating your Tuition Payment Plan Account with FACTS**

Bishop Hendricken High School has partnered with FACTS Management to collect all tuition payments going into the 2024-2025 academic year.

We offer a variety of payment plan options through FACTS Management to meet the needs of every family and to help make tuition more affordable. If you already have a student enrolled at Bishop Hendricken High School, you do not need to create another FACTS Tuition account. We will add your son to your existing account. If you already have a FACTS account with another school, use your existing username and password with the Bishop Hendricken link: www.hendricken.com/facts.

If you are receiving a financial aid award or any other form of reduction in tuition (scholarship, private award), we can only post these adjustments after you have created your FACTS Tuition account. All families must register for a FACTS Tuition Payment Plan.

If you are having a problem navigating through the FACTS tuition payment plan process, please feel free to email Caren Pacheco at caren@hendricken.com. Caren will try to answer all your questions or assist you with any problems you may be having with registering. To create your FACTS Tuition account, please use this link: www.hendricken.com/facts
